

ACHIEVE OPERATIONAL EXCELLENCE THROUGH ERP BI

INTEGRATE, OPTIMIZE, AND SUSTAIN YOUR FINANCIAL OPERATIONS FOR MISSION-DRIVEN SUCCESS

Intrepid, an SPA Company, brings deep expertise in Financial Management and Business Analysis, supporting the full Enterprise Resource Planning (ERP) lifecycle to optimize financial and business operations.

We provide insight into system capabilities, limitations, potential enhancements, and overall system performance and design.

DRIVE YOUR MISSION FORWARD WITH RAPID SUPPORT FLEXIBILITY

- Competitively Awarded Small Business TO
- Start immediately - Avoid long acquisition lead time
- Ability to scale up/down with ease
- Significant Ceiling & POP availability
- Streamlined Proposal & Pricing Process
- Ability to add subcontractor(s) if needed
- Numerous established LCATS
- Nominal Pass-Through Rate
- Any Funding/Any Agency
- TDs can be incrementally funded

QUICK, EFFICIENT TECHNICAL DIRECTIVE PROCESS

The TD process typically takes 30-60 days, enabling clients to achieve rapid support and performance timelines.

- 1 Intrepid works with the customer to establish an understanding of the requirements to be performed through a TD aligned with the TO PWS
- 2 Customer provides initial request for a TD to the COR
- 3 COR initiates support agreement
- 4 COR determines if TD is within the scope of the TO PWS and ensures the TD request conforms to the required TD format
- 5 COR provides fully approved TD request to the KO for review
- 6 KO reviews the TD request and the scope determination
- 7 KO provides TD to Intrepid for concurrence and requests a ROM from Intrepid
- 8 COR and customer review the Intrepid ROM; customer provides initial increment of funding
- 9 Once funds are received, KO executes a bilateral modification incorporating the TD
